Re: A new sovereign 'in town'  
Att: one (1) Fee Schedule, one (1) Example 'Sign Plate'

Winsum, 3. August 2012

Hello Mr. Guillarme Nassau-Weilburg,

Due to gross negligence by several national Governments, blackmailing of mankind by (Inter)national Financial Institutes and the covering up of important information by the Mass Media, I have decided to not be part of it all anymore.

After having found out certain information by myself and with a little help from mankind, specifically from those that have already woken up to the scam, I now know enough to get out of the existing and enslaving system and choose to hereby also inform you of such.

I previously have informed Mrs. B.W. Armgard van Amsberg- zur Lippe Biesterfeld (a.k.a. the Queen of the Netherlands), owner of all that is part of the realm called 'Kingdom of the Netherlands' thus also all persons created within that realm, that I have stopped identifying myself with and as the person named MAARTEN LUSINK that had been created for and given to me upon birth without my consent.

Due to the illegality of the unilateral contract that was created without my consent, upon the State of the Netherlands having received my Life Birth Record (Geboorteakte) in trust, only the State of the Netherlands as creator and owner of the person can be held accountable for all contracts/agreements signed in name of the person named 'MAARTEN LUSINK' (born March 30<sup>th</sup>, 1973).

Mrs. B.W. Armgard van Amsberg- zur Lippe Biesterfeld has also been informed of the fact that I am now (as per 21 May 2012) owner of the by copyright protected name of MAARTEN LUSINK and/or any derivative thereof.

Using the name MAARTEN LUSINK and/or any derivative thereof in any way without my written consent will result in me presenting that person (or his sovereign/head of state, i.e. you) a bill which will amount to 500 grams of gold (999,9) as per every time the name MAARTEN LUSINK and/or any derivative thereof is used.

Mrs. B.W. Armgard van Amsberg- zur Lippe Biesterfeld has agreed to all claims I have made thus far. If you wish to know specifically which claims those are, I urge you to contact Mrs. B.W. Armgard van Amsberg- zur Lippe Biesterfeld.

However I hereby inform you as well of the fact that I, Maarten; of the family Lusink, am a Sovereign Man of Flesh and Blood and choose to live and act in the spirit of:

- The Charter for Compassion (2008)
- The Earth Charter (2000)
- The Declaration of the Rights of Man and of the Citizen (1789)

I shall also keep you, your servants, employees and subjects to upholding your constitution as well as signed treaties and declarations such as the Universal Declaration of Human Rights, as I do Mrs. B.W. Armgard van Amsberg- zur Lippe Biesterfeld, her servants, employees and subjects.

In case you and/or one of your servants infringe on my freedom, property or integrity or that of any Man that is under my supervision or that I represent, it will result in a lump sum as described in my fee schedule.

Therefore I also hereby inform you, your servants, employees and subjects that you can recognize my property (which I use to ride on the land) by a 'Sign Plate' that I shall attach to my property which shows great resemblance to the picture as attached to this letter, but which will at least show the following text: "M v d F L". As means of identification I shall also bring with me a copy of my Life Birth Record (to which you, your servants, employees and subjects cannot claim any rights).

For the record and to avoid misunderstandings, I note that it is your responsibility to inform the employees in your organization, including and among others the Provincial States, Municipalities, Police & Justice, the Tax and other local authorities or semi-governments, of my status.

In case I choose to settle myself on, or choose to claim, a piece of land which your country is keeping in its administration, I shall inform you of such in retrospect. With that I wish to iterate and emphasize that I choose to live and act in the spirit of The Charter for Compassion, The Earth Charter and The Declaration of the Rights of Man and of the Citizen.

I trust that I have informed you in a proper manner, that you understand all I have stated above and that we can live in peace amongst each other.

In case you would need more clarification I would be happy to provide you more information to do so.
